

**Amblers:**

- Their family has been struggling with health issues.
- They are working with 2 back-to back teams from the U.S.
- Robby is coming to the U.S. in March. He must get a visa to return home.
- Pray for strength, joy, protection, and opportunities to share about Jesus.

**S. Asia:**

- Local churches have increased from 7 to 100, but so has persecution.
- Local Leaders continue to share, teach, disciple, despite difficulties.
- Pray that leaders would see a great harvest of believers.

**Rampura:**

- Pray for people to be open to God's Word.
- Pray that men of peace will become followers of Jesus.
- Pray that churches will form to tell others the Good News.

**Loving Hands:**

- Some progress has been made with local leaders and GARR regulations.
- Joe is working toward provisional approval to begin housing men.
- They are making plans for the CSBC sponsored chapel project to begin.
- Pray that they would be able to share Jesus with the men, so that they will be set free from addiction.

**Baxley Children's Home:**

- The girls home needs volunteers to install new flooring.
- More staff is needed to be able to care for more children.
- Praise God that there have been children who were baptized as believers.
- Pray that the children would understand that Jesus can help them overcome the pain and hurts they have faced in their lives.

**Guido Bible College:**

- The new school term is now underway.
- Pastor Bo is teaching an Oral Communication course to help rural pastors and church leaders preach and teach the gospel of Jesus Christ more effectively.
- Ask the Lord to saturate each classroom with His sweet presence, to strengthen the fellowship of the student body, and to keep all the material focused on glorifying Christ and building His Kingdom. Please pray for more financial support to be able to adequately pay the professors, and also to increase the "Sower Fund" that allows underprivileged students to attend classes on a scholarship.
