

**Ambler Family:**

- Robby arrived in Nepal on December 30. He will be meeting with the missionary leadership team to strategize for the next few years. Pray that his time will be encouraging and productive.
- Praise God for this opportunity for Robby to be able to be back overseas for the first time since his departure in March.
- **Pray specifically** for his arrival into “his country” on January 5. It is VERY important since he will try to enter on a visa on arrival (which is a short-term visa), which can be easily denied.
- There will be an election for the prime minister around the 7th, so this may cause additional issues for Robby entering the country. There have already been riots and killings. Pray for peace and protection for the people and for Robby.
- Robby will have the opportunity to meet face to face with their team and national partners to encourage and love on them.
- Robby will depart on January 13. Pray that “God will give him many opportunities to speak about the mysterious plan concerning Christ... Pray that he will proclaim this message as clearly as he should.” Colossians 4:3,4
- Elan had a tonsillectomy and adenoids removed on December 29. Please pray for her to recover quickly and have no complications.
- Pray for health for Robby and Chrissy who have had stomach issues for the last days.
- Alden’s labs showed that he is pre-diabetic, and his thyroid is not at the optimal range. They are awaiting other labs to determine more details. He is taking many supplements to help him deal with his chronic pain and inflammation. Please pray that he can endure the medicine he is taking (it tastes terrible), that they can support him well during this challenging time, and that he will see God working in his life through this current suffering.

## **S. Asia:**

- Praise that thousands of people heard the gospel for the first time, that thousands of Bibles in local language were handed out, and that hundreds came to faith and were baptized.
- Pray that a church would form in Rampura, and that “we will not stop praying for them... asking God to give them complete knowledge of his will and to give them spiritual wisdom and understanding. Colossians 1:9

## **Davis Family, Restored Church-Middletown:**

- Praise that twelve people were served with the love and light of Christ at the Candlelight Service at Restored Church!
- Pray that the Lord would bless Restored Church as they begin meeting every Saturday night starting January 6, 2024. Pray for strength, for joy, for many people to come worship, and for many to come to know Jesus.
- Pray that the Lord would bless and lead all their outreach endeavors.
- Pray that God would continue to keep the Davis family in good health, that he would shower them with his peace, and that he would allow them to stay focused on loving one another.
- Pray that God will help JJ remain focused on his schoolwork, and that LilyGrace will use her leadership skills in a kind and humble manner.
- Pray that God would provide finances and wisdom to meet the needs of the family and the church, and to see overflow instead of lack.

## **Baxley Children’s Home:**

- Pray that the children will transition well from break back to school.
- Pray that the staff will respond lovingly and wisely to the children’s actions.
- Pray that God will provide more staff to meet the needs of the children.
- Pray that the families/children will get the help they need, so the children can return to loving, safe home environments.

## **Loving Hands:**

- Pray that men’s lives would be changed for Jesus.
- Pray that God would provide a good used car for Olaf and Erin.
- Pray for a man to prepare to return to his home and family in March.
