

Cedar Street
— BAPTIST CHURCH —

Dear Parents, summer will be here before we know it! It's amazing that about a month ago, it was snowing!

This summer, the youth will be going to Centrifuge Camps. The location we will be going to is at Brewton-Parker College in Mount Vernon, GA.

Centrifuge is a Southern Baptist Student Camp. There are many locations in the United States. Check out the fugecamps.lifeway.com website to learn more about it.

In this packet, I included a details page and the permission form due to the church. I have also attached multiple information pages printed from the Fuge Camps website including information on the Brewton-Parker camp, Centrifuge Track Time Explanations, and a Parent Information Pack. I hope these attachments are helpful.

If you have any questions, please let Joseph Gomez know.

There is an online camp waiver that Joseph will send to parents after he receives the permission form and deposit for camp.

On this waiver, parents will put what camp “tracks” their student will do. If your student wants to do the same camp track as a friend that is going, they are encouraged to coordinate when completing the waiver. We may not be able to change track times after arriving at camp. There is a track explanation page in this packet. Make sure to see which of the tracks are offered at Brewton-Parker.

There is more info about the camp in this packet including the tracks at Brewton-Parker, what to pack, and etc.

Once Joseph gets the permission forms and deposits, he will register the group. Fuge Camps will then send him the registration ID needed for parents to fill out the camp waiver.

If you have questions contact Joseph Gomez.
